The 5 Gyres mission: Empowering action against the global health crisis of plastic pollution through science, education and adventure.

The Story of Plastic

www.storyofstuff.org/the-story-of-plastic/the-story-of-plastic-videos

The Story of Stuff believes in the power of storytelling and narrative interventions to change the way that we think about and interact with plastic.

Plastic Pollution Coalition

www.plasticpollutioncoalition.org

Plastic Pollution Coalition is a growing global alliance of individuals, organizations, businesses, and policymakers working toward a world free of plastic pollution and its toxic impacts on humans, animals, waterways, oceans, and the environment.

Algalita

www.algalita.org

Our mission is not to pick trash out of the sea. It's to fundamentally shift our way of thinking on land. We empower young people to think critically, demand action and be agents for change. When we educate, the next generation responds with solutions.

TAKE ACTION

Coastal Conservation Association Florida Trash Tournament

www.ccaflorida.org/event/cca-florida-trash-tournament/

Join CCA Florida and members statewide for a Statewide Cleanup event. The event is run similar to a fishing tournament, but instead of submitting fish, participants submit their trash collections!

Planet+Purpose Solutions

www.planetpurposesolutions.com

Helping organizations reduce their plastic footprint.

Surfrider Foundation Beach Cleanups

www.surfrider.org/programs/beach-cleanups

Beach cleanups can reduce litter, protect our ocean and raise awareness about litter and plastic pollution. The Surfrider Foundation's volunteer network conducts beach cleanups throughout the West, East, Gulf, Hawaiian and Puerto Rican Coasts. Our National Beach Cleanup program provides a fun and easy way to volunteer and engage with Surfrider's mission to protect our ocean, waves and beaches.
